## Mobile Home Safety

Rolled mobile home - stopped by tree 70 mph

Truck stays - mobile home flipped

Picher, OK 2008

Nationwide, mobile homes were the most common location for **tornado fatalities (39%)** from 1991 to 2016. Have an emergency response plan for where to seek shelter **away** from your mobile home.

Kansas

## Vehicle Tornado Safety

### First Choice:

Go to a substantial structure or designated tornado shelter.

### Second Choice:

Lie flat in a ditch or depression. Use your hands to cover your head. Be alert for flash floods.

### Third Choice:

Buckle yourself in and lower your head below window level.

**Do not get under an overpass**
