

Requirements for obtaining Veteran grave markers.

Recipient must have served in a branch of the U.S. armed forces or their affiliates (ie national guard, coast guard).

Recipient must have been interred in Wilson County.

A copy of a death certificate, published obituary, or military service documents must be placed on file with Wilson County along with a signature of recipient representative/family member/memorial caretaker.

Wilson County will provide one (1) grave marker appropriate to the service given to each qualified recipient. Any loss or damage will be the responsibility of recipient representative/family member/memorial caretaker.

All markers given at the discretion of Wilson County representatives will be recorded with date and name of recipient and will be kept on file for public viewing upon request.
